December 2006

Dear Friend of the Orchestra:

We appreciate your past support of Central Jersey Symphony Orchestra. Your contributions have kept the orchestra playing and we thank you for it.

As part of your year-end planning, please consider an additional gift to CJSO. By donating you will have a nice deduction to lighten your tax burden and CJSO will have your generous donation to help fund its continuing performance schedule.

In the true spirit of a community orchestra many of our players donate their talents. Your donation will help pay for the hall and music rentals.

Thank you for your generosity,

Andy Silbert  
Chairman of the Board of Directors  
Central Jersey Symphony Orchestra
